

Bok.

Vodič za brzi početak rada

Dobrodošli u svoj novi Mac mini. Htjeli bismo vam malo pokazati okolo.

The image shows the front panel of the Mac mini. Callouts point to several features:

- Ugrađeno napajanje (Built-in power)
- Gigabit Ethernet
- HDMI
- Thunderbolt
- Tipka napajanja (Power button)
- FireWire 800
- USB 3
- Utor za SD karticu (SD card slot)
- Audio in/out priključnica (Audio in/out connector)

Pa krenimo

The diagram illustrates the setup of the Mac mini. It shows the Mac mini connected to a monitor via HDMI, a keyboard and mouse via USB, and a power source via an AC adapter and power cable. Labels include:

- HDMI-DVI adapter
- AC kabel za napajanje (Power cord)
- Tipka napajanja (Power button)
- Uutor za SD karticu (SD card slot)
- Audio in/out priključnica (Audio in/out connector)
- USB 3
- Tipka napajanja (Power button)
- Gigabit Ethernet
- HDMI
- Thunderbolt
- Ugrađeno napajanje (Built-in power)

Idemo dalje

The image shows the Mac desktop environment. Labels indicate:

- Traka izbornika (MenuBar)
- Izbornik pomoći (Help menu)
- Dock
- Finder
- Postavke sustava (System Preferences)
- Status Bluetootha (Bluetooth status)
- Wi-Fi status

A central window titled "Dobrodošli" (Welcome) is open, showing system information. The Dock at the bottom contains icons for various applications like Safari, Mail, and iPhoto.

iCloud

The image shows the Mission Control interface, displaying multiple desktops and application windows simultaneously. Labels include:

- Otvaranje Launchpada (Opening Launchpad)
- Mape (Folders)
- Dashboard
- Dodavanje mesta na radnoj površini (Adding a place to the desktop)

The desktop background features a space-themed wallpaper.
